## North American Industry Classification System (NAICS) Data

The Form requests "dollar revenues" categorized by NAICS codes for non-manufactured and manufactured products with respect to operations conducted within the United States, and for products manufactured outside of the United States and sold into the United States. To the extent that dollar revenues are derived from manufacturing operations (NAICS Sectors 31-33), filing persons must only submit data at the 10-digit NAICS product code levels, not the 6-digit level. (See Item 5 below).

In reporting information by 6-digit NAICS industry code, refer to the most recent *North American Industry Classification System - United States* published by the Executive Office of the President, Office of Management and Budget. In reporting information by 10-digit NAICS product code, refer to the most recent *Numerical List of Manufactured and Mineral Products* published by the Bureau of the Census. Information regarding NAICS is available at [www.census.gov](http://www.census.gov). This site also provides assistance in choosing the proper code(s) for reporting in Item 5 of the Form.
